OUR HISTORY

MASI is a leading producer of Amarone and is a passionate interpreter of Venetian Values. Masi's history begins at the end of the XVIII century, when the Boscaini family acquired valuable vineyards in the small valley called 'Vaio dei Masi' in the heart of the Valpolicella Classica region.

Masi also promotes other historic wineries: in Valpolicella, **CONTI SEREGO ALIGHIERI** estate owned by descendants of the poet Dante; in Trentino, the **CONTI BOSSI FEDRIGOTTI** estate, a prestigious brand with vineyards in Rovereto and in Valdobbiadene, **CANEVEL SPUMANTI**, standard bearers for the region and its prestigious wine denomination.

Masi also owns two organically run estates: **ODERI DEL BELLO OVILE** in Tuscany and **MASI TUPUNGATO** in Argentina.

OUR EXPERTISE

Masi, through its Technical Group, is engaged in the rediscovery and promotion of native grape varieties and winemaking techniques in the Venetian regions.

The company has a recognised expertise in the Appassimento method, as used to make Amarone, Campofiorin and other speciality wines, to concentrate colour, sugars, aromas and tannins.

This symbol marks out wines that benefit from Masi expertise in the Appassimento technique.

Wines displaying this symbol contain the ancient Oseleta grape, rediscovered by Masi, which confers extraordinary tannic structure.

Masi is eco friendly in every phase of the production process and many of its wines have already obtained organic certification.

This symbol indicates wines from organically-run vineyards.

Cantina Privata Boscaini is an extraordinary family and territorial inheritance, a unique collection of fine wines, precious cru selections and great vintages of Amarone, produced in limited quantities and only when Nature is at her most munificent.

These wines are the product of the love and artisan care that the Boscaini family have always lavished on the art of winemaking and they are kept with the proper respect due to precious objects.

COLLEZIONE GRANDI ANNATE

VAJO DEI MASI

Celebratory bottling for the 250th grape harvest

To celebrate the Boscaini family's 250th vintage in Valpolicella, a *limited edition* Amarone has been made specially for the occasion.

'Vajo dei Masi' is the name of the wine and also of the vineyard, a high hillside cru in Valpolicella Classica which is the source of its grapes. The vintage is 1997, one of the best of the last century, and supply is limited to 2500 numbered magnums, signed by Sandro Boscaini.

COSTASERA CONTEMPORARY ART

Limited edition with artist's label

The 'Costasera Contemporary Art' project, held biennially, involves the selection of an internationally famous artist, with origins in a country linked to Masi and its wines, who then has the task of producing a work of art dedicated to Masi's iconic Costasera Amarone wine. The result is then reproduced on a selection of bottles of Costasera from a particularly fine vintage. At the end of the project, the artist chooses a young art student, who is sponsored by Masi to come to Italy to study at a centre of artistic excellence. masi.it/contemporaryart
