

MODELLO MASI

MERLOT TREVENEZIE IGT

Modello Masi is a benchmark for wines of the *Trevenezie* regions. Made from grapes grown in specialist vineyards, partly on the '*Stra' del Milione*' estate, which is named after the road taken by Marco Polo on his journeys of exploration and trade in the XIII century, the traditional route to the Orient at the time.

A modern wine expressing the authentic sociability of our people in every sip.

A full-bodied wine with soft, silky tannins, which blend well with fruity notes of Marasca cherry, plums, raspberries and fruits of the forest.

ENJOYING THIS WINE: ideal matching with appetizers, salami and cheeses, legumes and vegetables, tasty pasta and risotto, white and red meats.

GRAPE VARIETIES: Merlot

ALCOHOL CONTENT: 12% VOL.

SERVING TEMPERATURE: 18°C / 64,4°F

SHELF LIFE: 2-4 years
